

TRAIN ENGINE BLOWS UP.

Two Men Killed and Cars Shattered by Explosion.

WILBY JUNCTION, O., Nov. 24.—The fireman and engineer of a Big Four freight train were killed a few miles north of here today when their locomotive blew up. A section of the train was demolished.

STEALS MISTRESS'S RING
FOR CHRISTMAS GIFT

Angel-Faced Child Robbed Em-
ployer of Diamonds and
Fine Clothes.

Mrs. Joseph Mannes to-day called ac-
tivities to her home, No. 26 Central
Park West, and told them that nearly
\$500 worth of jewelry, silk stockings and
laces had disappeared in the last few
weeks. A diamond cluster ring valued
at \$400 went yesterday, and to-day a \$1
full disappeared from under a pillow.

Annie Farber, a sixteen-year-old girl
with golden hair and the eyes of an
angel, was the only person besides Mrs.
Mannes in the house this morning. Here-
before the Mannes had refused to sus-
pect Annie, who has been in this coun-
try for four weeks, because she seemed
so childishly innocent.

The detectives searched Annie's room
and found everything which had been
missed. She said she took the things
because she liked them and could not
afford to buy such luxuries. The ring,
she said, she took because she wanted
to make a nice Christmas gift to a
young man she met recently.

KAISER'S TANGO ORDER
STIRS DIPLOMATIC SET

American Colony Will Cut Out
Dance at the Thanksgiving
Celebration in Berlin.

BERLIN, Nov. 24.—Emperor William's
edict forbidding German army and navy
officers to dance the tango and other
steps while in uniform has been taken
to heart in diplomatic circles here,
where the same rule has been intro-
duced.

A hurried change was made in the
programme for the dance to be held
after the Thanksgiving dinner of the
American colony when it was learned
that any members of the diplomatic
corps present would be forced to with-
draw should the tango or two-step be
danced.

These were consequently eliminated
from the programme, but will be per-
mitted during the latter part of the
evening, after the official guests have
retired.

BOOTH TO JOIN HANDS,
CALLING "ARMY" TRUCE

Brothers, in Private, Will Close
Breach Between Re-
spective Bands.

General Bramwell Booth of the Salva-
tion Army and his brother, General Bal-
lington Booth of the Volunteers of
America, will clasp hands to-day and
close the breach that has existed for
several years. The meeting, it is un-
derstood, is to be strictly private.

A matter that is interesting officers
of the American Salvation Army is a
rumor that Miss Eva Booth, commander
of the Salvation Army in this country
for nine years, will be transferred to
England soon by her brother, General
Bramwell Booth, to take charge of the
International Bureau of the Army in
London. If such an order is issued, it is
probable General Booth will be asked
to reconsider, as the American officers
say she has surpassed all her predeces-
sors in results since she came to
America.

General Bramwell Booth spoke yes-
terday at two enthusiastic meetings at
Carnegie Hall in the afternoon and at
the Lyric Theatre in the evening. Dis-
trict Attorney Whitman presided at the
Carnegie Hall meeting, being intro-
duced by Commander Eva Booth, and
making a short address. General Booth
will sail on Wednesday for France to
inspect the Army there.
